**The petroleum and convenience store industry has trusted Heartland for over 30 years.**

## Payments +

Taking credit and debit cards is an essential part of any business. The right technology provider can deliver so much more than processing. Heartland can have you up and running quickly!

**Lower costs:** The Heartland Liberty program rates are second to none.

**Exceptional customer relations:** Talk to a dedicated team member at the 24-hour call center, exclusively for Heartland customers.

**Fast on-boarding:** Be up and running in as little as 24-48 hours.

**Gift cards:** Gift cards are done in-house and are easy to implement. There is no minimum, all cards are reloadable, and Heartland provides a separate portal for tracking gift card status.
